

IN-PERSON

3 nights & 3 days of fun at Washington Family Ranch in Antelope, OR including a water park, ropes course, and game center. Lodging and all meals (high- and low-protein) provided.
\$234.50 per camper

ONLINE

A full day of virtual activities with the chance to rewatch key segments (crafts, cooking, science night) after the fact, on-demand.
\$10 per camper

Live Cooking Demo

Learn Brenda Winarski's new hot pretzel recipe from the master herself! Free samples for all participants.

Video Demo & Live Chat

Cook along at home with your camp kit containing pre-measured ingredients and instructions. During the pre-recorded demo you'll have Brenda's full attention for all your questions via chat!

Live Craft Demo

TogetherMade founder & PKU News Board President Jeb Haber will lead crafts once again. A fun family activity that creates a great memento of camp!

Live Craft Demo

Every registered camper gets a craft kit; live instruction provided by TogetherMade founder & PKU News Board President Jeb Haber. Re-watch the video after camp if need be.

Live Presentations / Q&A

Dr. Cary Harding and Dr. Daelyn Richards return to outline the state of the science in IEM, and answer your questions.

SCIENCE NIGHT

Recorded Video/Live Q&A

Watch the video of Science Night and chat live with the presenters who will answer questions in real time.
